

DEVOLD® PIQUE MAN T-SHIRT FR

FLAME RETARDANT WOOL / LENZING BLEND

DEVOLD® PIQUE is a versatile wool underwear that covers the need for protection in occupations where one is exposed to heat, flame and electric arc during the work day. Pique is knitted with FR® Lenzing, merino wool and Nega-Stat®, with polyamide reinforcement. Nega-Stat® is a special yarn that gives the garments optimal antistatic protection. In addition to cover the need in protecting against electricity, gas, heat and flame, this garment will also be very suitable for administrative personell.
